# Member of the Month

Chamber President Rich DeMartino  
has announced the selection of

## Christopher L Vulpis, CPA

as "Member of the Month".

A partner with the accounting firm of Rosenblatt, Kiman, Levittan, Levine & Co. LLP's, Chris has been a long standing member of the Chamber of Commerce. In January Chris was installed for the second time as Treasurer and is also currently the co-chairman of the Chamber's Charity Golf outing. He is also the immediate past president.

As a member of his firm Chris joined the Chamber over twelve years ago. During that time Chris has held several titles including Treasurer, Vice-President and as mentioned President. During his tenure as President Chris presided over a 100% increase in membership. Also as President Chris was instrumental in organizing the Chamber's Charity organization, The Greater NHP Chamber Fund. The fund was created as a way for the business community to generate funds that would be distributed to needy and worthwhile charities and individuals in the Greater New Hyde Park community. Recently Chris was honored as the Nassau Council of Chamber's Small Business Person of the Year for the Greater New Hyde Park area.

When asked about the Chamber Chris stated "Joining the Chamber has been one of the most fulfilling endeavors in my business career. I have made numerous business contacts from my activities with the Chamber. It has also given me access to some terrific vendors over the years. Whether in my professional or personal life, if a need arises I try to find a Chamber vendor to do the job. They are usually someone I have gotten to

know from the Chamber activities and they will usually want to give that little extra for a fellow member. I recommend to all members and consumers to keep the Chamber directory handy and access it whenever you are looking for a vendor.

Chris has been with his firm for twenty years and partner for the last ten. "As a firm that specializes in small business I find it very rewarding to be a trusted advisor for our clients. The firm has been in New Hyde Park for over twenty five years. "I have grown to love the Greater New Hyde Park Community". I look forward each year to the Chamber's participation in the annual Memorial Day parade. Over the years I've gotten to attend many local functions and have enjoyed getting to know the people of the community.
