

THE GREATER NEW HYDE PARK CHAMBER of COMMERCE

Covering New Hyde Park, Garden City Park, Herricks
and the Lake Success Business Parks

Member of the Month

Morris Singer of Cartridge World

Chamber President Richard DeMartino has announced the selection of Morris Singer as “Member of the Month”, a co-owner of Cartridge World of New Hyde Park with his wife Debra Singer. Morris has been an active member since June 2004, just after meeting Richard DeMartino, then Second Vice President of the Greater NHP Chamber, at a Ronald McDonald House Networking event. Within the first few months Morris became aware of a shortfall the Chamber had in the budget for a bench to be dedicated for 9/11 victims at Clinton Martin Park. He initiated a printer cartridge collection drive and donated the money to the Chamber to cover the shortfall. He ran another collection drive for Earth Day in 2006, the proceeds of which were the first to be deposited in the Chamber’s 501C Fund.

Having spent 20 years commuting to Greenpoint, Brooklyn where he owned a knit goods contracting business, when Debra and Morris opened their Cartridge World store in New Hyde Park, they were eager to be more proactive and involved in the community they served. “We chose

New Hyde Park because of its great mix of businesses and its strong community spirit. The Chamber has been an extremely rewarding and satisfying part of our nearly 5 years in New Hyde Park. The other members we have met, worked with or just shared dinner conversation with have made are membership equally gratifying.”

Cartridge World has given us the opportunity to provide New Hyde Park with an alternative to new high priced printer cartridges. By refilling their printer cartridges local businesses have saved thousands of dollars and consumers have saved as well. In the course of the past 4 ½ years, we have kept over 52,000 printer cartridges out of our landfills. We provide Free delivery for qualifying businesses and offer consulting for printing related issues, including new purchases and technical problems.
